Dear Daron:

This is to request an extension of time in which to abate NOV. No. N91-39-1-4, 2 of 4 and 3 of 4. These violations were issued February 15, 1991 and the abatement date was set at March 4, 1991. An extension is needed due to a series of snow storms which have impeded construction efforts. Approximately 70% of the abatement work was completed prior to the storms.

Sincerely,

Robert Eccli
Senior Mine Engineer
