All Operators

Dear Operator:

Re: Request to Rider or Submit a New Bond, Company Name, Mine Name, ACT/000/000, Folder #4, County, Utah

The Office of Surface Mining is requiring that surety bonds made payable to the Division of Oil, Gas and Mining, and Office of Surface Mining, must include additional language concerning termination of the Cooperative Agreement between the State of Utah, Division of Oil, Gas and Mining, and the Office of Surface Mining (see attached section of the Cooperative Agreement, Article IX, Bonds, part A). The language in this new rider should state:

"In the event the Cooperative Agreement between the **DIVISION** and **OSM** is terminated, then the portion of the bond covering the Federal Lands will be payable only to the United States, Department of Interior, Office of Surface Mining."

Please submit a correction rider to your bond or have a new bond submitted as per the attached form to the Division by September 20, 1991. If you have any questions, please call me, Pamela Grubaugh-Littig, or Daron Haddock.

Sincerely,

Lowell P. Braxton  
Associate Director, Mining
