DIVISION OF  
OIL GAS & MINING

Dear Daron:

This is to request an additional extension of time in which to abate NOV No. N91-39-1-4, 2 of 4.

Items 2, 3, 4 and 5 of this violation have been addressed, however, item 1 which involves a diversion ditch above the South Fork loudout facility is still snowed in. This ditch is at an elevation of 7800 ft. Snow and frozen ground continue to restrict work on this project.

Sincerely,

*Robert Eccli*
