Dear Mr. Eccli:

Re: Approval, Request For Extension Of Time To Submit Chapter VII, U.S. Fuel Company, Hiawatha Complex, ACT/007/011, Folder #3, Carbon County, Utah

The Division received your request for extension of time to submit Chapter VII on June 20, 1991. The Division is somewhat reluctant to grant this extension, however, U. S. Fuel has made diligent efforts to complete the requirements of the Mid-Term Review and an extension can probably be justified due to the current situation at U. S. Fuel.

The Division hereby grants a six (6) week extension for the submittal of Chapter VII (hydrology) to August 13, 1991. Please make every effort to comply with this timeframe as further extensions may not be allowed.

If you have any questions, please feel free to call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
