Dear Ms. Bailey:

United States Fuel Company requests an assessment conference to review the proposed penalty assessment for violation N92-41-1-1.

At our previous conference, Joe Helfrich indicated that in some cases a conference could be held over the telephone. We would like to request this option since we only wish to review the Negligence and Good Faith portions of the assessment.

Please let me know what date and time can be arranged.

Sincerely,

Robert Eccli
Sr. Engineer
