Dear Mr. Eccli:

Re: Extension Approval for Deficiency Response, U. S. Fuel Company, Hiawatha Mine, ACT/007/011, Folder #3, Carbon County, Utah

I have reviewed your letter dated September 21, 1992 that requests additional time to respond to the Hiawatha permit renewal deficiencies. U. S. Fuel is hereby granted an extension of time to October 30, 1992 as requested. This is the third extension granted for your response to the deficiencies. Please make every effort to respond in this timeframe as failure to do so may result in enforcement action. No further extensions will be allowed.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
