Re: Approval of Portable Screening Facility Amendment, U. S. Fuel Company, Hiawatha Mine, ACT/007/011-93A, Folder #3, Carbon County, Utah

Dear Mr. Baum:

The Division has completed a review of the materials submitted on September 1, 1993, which amend your plan to allow portable screening, crushing and blending operations to occur on the Hiawatha disturbed area. The amendment is hereby approved. The materials submitted will now be considered part of your plan and will be inserted into your Mining and Reclamation Plan as indicated.

Thank you for your cooperation during the permitting process.

Sincerely

Re: Request for Permit Amendment (Portable screening, crushing and blending facility), U.S. Fuel Company, Hiawatha Mines Complex, ACT/007/011

Dear Daron,

Enclosed is a request for a Permit Amendment to include the use of a portable screening, crushing and blending facility in the coal processing portion of the permit area.

Enclosed are 12 copies of the amended narrative and maps.

If you should have any further questions or comments please feel free to contact me. Thank you for your time and consideration.

Sincerely yours,

Mike Baum
President
