Re: Response to Deficiency Review of Jan. 28, 1993, U. S. Fuel Company, Hiawatha Mines Complex, ACT/007/011

Dear Daron:

Enclosed are 13 copies of revised pages and maps to U.S. Fuel's Mining and Reclamation Permit. These revisions are in response to the Division's deficiency review of Jan 28, 1993. The pages are separated by chapter but not by individual volume so some sorting will be required.

Also enclosed is a summary of U.S. Fuel's response to each remaining deficiency.

Please note that U.S. Fuel's mailing address has changed. The old address was Box A, Hiawatha, Utah 84527. The new address is P.O. Box 887, Price, Utah 84501.

Sincerely,
Robert Eccli
