Dear Mr. 2~ :

Re: Updated Mine Plan, U. S. Fuel Company, Hiawatha Mine, ACT/007/011, Folder #2, Carbon County, Utah

Enclosed is one (1) copy of U. S. Fuel Company's revised Mining and Reclamation Plan for the Hiawatha Mines Complex. As part of the Permit Renewal process, the Division required U. S. Fuel to reformat their plan to conform to the New R645 Coal Mining Rules. The enclosed plan is the result of that requirement. This plan also contains corrections to a number of deficiencies in the plan discovered during the March 1992 Permit Renewal. This reformatted plan supersedes the previous plan and is now considered the accepted plan. This is your file copy.

If you have questions, comments or need additional information, please contact me at your earliest convenience.

Sincerely

A handwritten signature in black ink that reads "Daron R. Haddock".
