Re: Notice of Violation N94-41-5-6, U.S. Fuel Company, Hiawatha Complex, ACT/007/011, Folder #5, Carbon County, Utah

Dear Mr. Watson:

As a result of the state/federal oversight inspection of your operation on September 13-14, please find enclosed state Notice of Violation N94-41-5-6. Joe Helfrich, Interim Permit Supervisor of our staff, has spoken with Gary Gray on September 20, 1994, regarding the nature and abatement requirements of the referenced group of violations. The abatement requirements and time for abatement can be modified as per your request to accommodate specific needs of your operation.

If you have any questions, please feel free to call either Joe or myself.

Sincerely,
