**RE: Permit Change to Dispose Mohrland Refuse Material at
Hiawatha; U.S. Fuel Company, Hiawatha Mine, Permit
ACT/007/011.**

95C

Dear Sirs,

U. S. Fuel Company is submitting the above permit change for your approval. The change will allow the AML Project (File No. AMR/015/909) to haul the coal waste material at Mohrland to our refuse disposal facilities. The small amount of material will not affect our reclamation plans and will perform a public service for the State.

Please give us a phone call if you have any questions.

Sincerely,

Michael P. Watson
President
