Dear Daron:

In response to your letter of February 10, regarding the U. S. Fuel Co. midterm review, work is in progress. Due to the increase in the scope of the required revisions after our March 6 meeting, a submittal should be forthcoming within the next three weeks. (3/27) Currently some of the maps are being scanned so revisions can be easily made to reflect the post mining road contours and water bars.

Please call me at (801) 472-3372 if you have any questions.

Sincerely,

Michael P. Watson
