RE: Liability Insurance ACT-007-011 #2

Dear Pamela:

Copy Pete Hess

I received your fax indicating the Division requires some modifications to the certificate of insurance for the U. S. Fuel property to ensure compliance with the applicable regulations. Therefore, I have requested the insurance provider amend the cancellation clause as follows:

Should any of the above described policies be cancelled before the expiration date thereof, the issuing company will mail 45 days written notice to the certificate holder named to the left.

There should not be any need to add explosives coverage specifically to the policy since there are no explosives remaining on the property and even the explosives magazines have been removed. Please call me at (801) 472-3372 if you have questions or concerns.

Sincerely,

Michael P. Watson
President
