que

Dear Mr. Carter:

At the informal conference for the assessment of violation N96-46-2-1, United States Fuel Company agreed to submit proposed permit changes in an effort to settle this issue prior to the Board Hearing on December 11. That submittal is enclosed. Also, it is my understanding that the Division may be willing to vacate this violation as a part of the settlement. Please advise us at your first opportunity.

ACT/007/071
#2

Sincerely,

Michael P. Watson
