RE: Seed Mix Variance, Hiawatha Complex, United States Fuel Company, ACT/007/011-96D, Folder #2, Carbon County, Utah

SYNOPSIS

The above reference amendment was received by the Division November 7, 1996. The revision simply allows substitution to the seed mixture after consultation with the Division. The revision is approved effective December 6, 1996.

REVEGETATION

Regulatory Reference: 30 CFR Sec. 785.18, 817.111, 817.113, 817.114, 817.116; R645-301-244, -301-353, -301-354, -301-355, -301-356, -302-280, -302-281, -302-282, -302-283, -302-284.

Analysis:

General Requirements

The permit allows for species substitution in the seed mixture if the particular species is not available or scarce. Substitution will only be made after consultation and approval by the Division. Any changes to the seed mixture will be documented in the Annual Report.

Finding:

The permittee has met the minimum regulatory requirement of this portion of this section of the regulations.
