Re: Request for Extension of Time to Comply with Division Order 97A & Chapter 5 Exhibits and Mass Balances, U.S. Fuel Company, Hiawatha Complex, ACT/007/011-DO97A, File #2, Carbon County, Utah

Dear Mr. Watson:

On September 10, 1997, the Division received your request for extension of time to comply with Division Order 97A and Chapter 5 Exhibits and Mass Balances in response to the Division Order.

Your request for the extension is granted to September 10, 1997, thus allowing additional time to submit the information regarding the Chapter 5 Exhibits and Mass Balances.

We anticipate completing our review of the information submitted under the requirements of Division Order 97A by September 30, 1997. During that time the information relative to Division Order 97A will be reviewed under administrative delay. Upon completion of review should there be deficiencies or additional information required, a new time frame will be set for meeting the requirements of Division Order.

If you have any questions in the interim, please call.

Sincerely,

Daron R. Haddock
 Permit Supervisor
