Re: Extension of Division Order 97A, U.S. Fuel Company, Hiawatha Complex,
ACT/007/011, Folder #3, Carbon County, Utah

Dear Mr. Watson:

Your request for an extension of time to complete Division Order 97A was received on April 24, 1997. The request for an additional 30 days is hereby granted based on the additional time needed to get the areal survey information. You now have until June 26, 1997 to submit the required information.

Please be aware that some of the required information should still be submitted prior to the May 27th deadline. In fact, we encourage you to complete and submit as quickly as possible those sections of the Order that do not require survey information (Biology, Soils, some Engineering and Hydrology). It is imperative that some progress on the Division Order be demonstrated.

Please call if we can be of assistance.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
