Carbon County, Utah

Mike
Dear Mr. Watson:

The Division approved the permit transfer of the Hiawatha Mine Complex from United State Fuel Company on December 12, 1997. The reclamation bonds that had been posted by United States Fuel Company (Surety Bond #KO 1733369 issued by Insurance Company of North America in the amount of \$1,450,000 and a Self Bonding and Indemnity Agreement Guaranteed by Mueller Industries, Inc., dated November 10, 1995) were replaced and accepted by the Division on that date.

If you have any questions, please call me or Pamela Grubaugh-Littig.

Sincerely,

A handwritten signature in cursive script that reads "Lowell".

Acting Director
