Re: Loadout Area Findings, Hiawatha Coal Company, Hiawatha Complex, ACT/007/011-DO97A,  
Folder #3, Carbon County, Utah

Dear Mr. Finley:

This letter is in response to Hiawatha Coal Company's request, dated April 8, 1998, to remove a particular deficiency from Division Order 97A. The Division had previously required Hiawatha Coal Company to include the loadout area along the Railroad Right of Way into the disturbed area boundary of the mine. We have since conducted further review of the area and on April 23, 1998 we notified you that including the area as part of your disturbed area was no longer required. The Division's analysis and findings for this decision are enclosed for your information and records.

If you have any questions, please call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock". The signature is fluid and cursive.
