Re: Division Order 99A, Slurry Pond No. 1, Hiawatha Coal company, Hiawatha Complex, ACT/007/011-DO99A, Carbon County, Utah

HCCI had originally requested an extension to the above referenced Division Order until June 18, 1999, which was granted. All of the historical documentation, with the exception of the photographs, pertaining to Slurry Impoundment No. 1 is ready to be submitted. The photographs are being burned to a photo-CD. We were told that we would have the CD by June 15. It is now June 15, and upon further inquiry, we were told that it wouldn't be back until the end of the month.

Because of the delayed photo-CD, HCCI respectfully requests a further extension to July 5, 1999.

If I can answer any questions, please give me a call at (435) 637-1778.

Sincerely,

E. Finley
