Daron Haddock,

Re: Pond D005 Removal, Hiawatha Coal Company, Hiawatha Complex,
ACT/007/011, Carbon County, Utah

aqB

Enclosed is a revised submittal which is being made in preparation for the removal of sediment pond D005, which is currently under review by Sharon Falvey. The amendment includes revised pages and Exhibits listed on the enclosed Form C2. These changes should be added to the previously submitted Exhibits pertaining to the pond removal.

This submittal includes information which has been determined to be deficient under Division Order 97A and is not meant to respond to those deficiencies. An amendment responding to the DO deficiencies will be forthcoming. Only revisions pertaining to the removal of Pond D005 have been included in the submittal.

Due to the small size of the amendment, all seven finalized copies are included for your approval. A discussion of the specific changes are shown on Form C2 enclosed.

If you have any questions, please call me at (435) 637-1778 (efinley@efinley.com) or Charles Reynolds at (435) 687-2450 (cwmining@etv.net).

Sincerely,

Elliot Finley,
President
