Re: Slurry Pond Seed Mix, Hiawatha Coal Company, Hiawatha Mines, ACT/007/011, Folder #2, Carbon County, Utah

Dear Mr. Finley:

We received your request dated September 27, 1999, to make certain changes in the slurry pond seed mix for this year. The mining and reclamation plan allows for some flexibility in the mix, and the changes are hereby approved. Please keep in mind that you need to show the changes in the annual report.

If you do not intend to use bitterbrush or serviceberry in the future, we encourage you to submit an amendment to your mining and reclamation plan to delete them from the mix.

Please call Paul Baker or me if you have any questions.

Sincerely,
