Dear Mr. Finley:

On October 20, 1999, the Division approved the information that was submitted in response to Division Order 99A. Clean copies of the amendment were received at the Division offices on November 4, 1999. A stamped "incorporated" copy is being returned to you for your copy of the approved Mining and Reclamation Plan. The remaining copies are being distributed as necessary.

Thank you for your help in completing this action. If you have any questions, please call.

Sincerely,

Daron R. Haddock
