Subject: Hiawatha 2nd Quarter Water Monitoring Report

Enclosed is the electronic file containing Hiawatha's 2nd Quarter Water Monitoring. I'm mailing the hard copies of the lab sheets today. I think the electronic file still has the data problem that Ken called me about. I need him to contact me or Nephi Walton when he gets a chance.

CC: "Ken Wyatt" <nrogm.kwyatt@state.ut.us>
