**Re: Extension Request**

Dear Mr. Braxton:

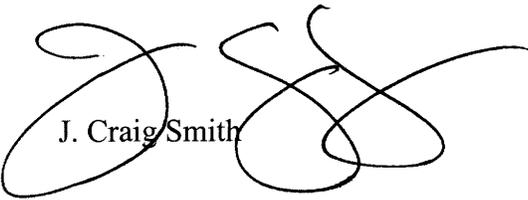

Pursuant to the suggestion of Vicki Southwick March 12, 2002, we are requesting in writing an extension of time within which to schedule an informal hearing on the Hiawatha matter. Because of heavy scheduling during the last week of March, it has not been possible to find a mutually agreeable time that your office and our clients can meet. Hopefully, we will be able to schedule the meeting in early April.

Your consideration of this request is very much appreciated.

Yours truly,

NIELSEN & SENIOR

J. Craig Smith
