Subject: Re: Water Monitoring Upload Bear, Hiawatha

Dana,

I have upload all the sites listed below except SBC9A. Its seems that although the lab sheet says SBC-9A. The excel spreadsheet from CT&E listed it as SBC-9, and we uploaded it as SBC-9. It won't let me enter the information for 9A because I am trying to enter a duplicate lab code. Could you please change the sample from SBC-9 to SBC-9A
