1. Permits, Change, Transfer, Renewal, Sale

The on-site visit included a discussion of the items chosen for the Midterm review for the Hiawatha complex. Reviewers assigned to the Midterm review discussed their respective reviews with Mark and Charles. An additional item added to the review included the commitments in the MRP. The review including the commitments will be finalized and sent to the permittee in March. Weather permitting, a site visit may be scheduled to evaluate the sediment control measures for the site.

2. Signs and Markers

Signs containing the required information were posted at access points to the property.
