Subject: Permit Renewal Violation # N05-1-1-1, Hiawatha Mine, Hiawatha Coal Company, C/007/0011, Outgoing File

Dear Mr. Reynolds:

Unfortunately, our efforts to ensure timely entry of water monitoring data for the fourth quarter of calendar year 2004 at the Hiawatha Complex have not been successful. The data was due to be entered and uploaded into our database by the close of business on March 31, 2005. According to a review of the database records that task was not accomplished. The attached notice of violation provides for the completion of the data entry and notification by close of business on April 22, 2005. Your commitment to ensuring timely entry of water monitoring data is appreciated.

If you have any questions, please call Joe Helfrich at (801) 538-5290.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
