Subject: Determination of Completeness for Permit Renewal, Hiawatha Coal Company, Hiawatha Mine, C/007/0011, Task ID #2701, Outgoing File

Dear Mr. Reynolds:

The Division received your application for renewal of the Hiawatha Mine permit on November 16, 2006. A review of the submitted information indicates that the application is administratively complete.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your current plan is filed with the county recorder. A copy of the Affidavit of Publication should be forwarded to the Division for insertion into the Mining and Reclamation Plan as soon as it is available.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
