Re: 510 (c) Recommendation for Hiawatha Coal Company, Hiawatha Mine, C/007/0011

As of writing of this memo, there are no NOV's or CO's which are not corrected or in the process of being corrected for the Hiawatha Mine. There are no finalized civil penalties, which are outstanding and overdue in the name of Hiawatha Coal Company. Hiawatha Coal Company does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

Attached is a recommendation from the OSM Applicant Violator System for the Hiawatha Mine that states there are no outstanding violations.
