Good Morning Wayne,

Henry and I concur with your assessment that no offsite impact occurred  
re: the NOV issued by Karl. Thanks.

Howard

Howard and Henry:  
FYI, Here is an email notification of an NOV written by Karl Houskeeper  
at the Hiawatha Mine this week. It has already been abated. I do not  
believe that there was an offsite impact. Let me know if you concur on  
the OSI at your earliest convenience. Call me (or Karl) if you have any  
questions or need more information.  
Thanks,  
Wayne
