Angela,

From what I have been told we are close to the 3.7 million. There are now just negotiating on the collateral that will be used for it.

Paul called me back while I was on the site inspection with Jim. He said they sent the letter last night and you should have it now. I tried calling him back but just got his voice mail. I left him a message asking him to fax or email me a copy today so that I could forward it to you.

Hi Mark,

I just got your voicemail. I have not seen anything from CHASE Bank yet. I will check the mail right now and see if we have anything.

Angela,

All the paper work was signed last Thursday and the bank was supposed to have mailed a letter to you. I just called Paul at the bank but he was not in so I left him a message asking him about it. If you want to call him yourself his number is (801) 481-5529. I will keep trying to talk to him also and get a copy of the letter, however I have a mid-term review scheduled today so will be tied up with Division staff most of the morning.
