Angela

I just got of the phone with Steve, he says he has received the signatures from the bank and will be calling Dana to let her know. Looks like we can all go home now. Thanks for all the help.

Angela,

Here is a copy with Nate's signature. David has already faxed this to you and Steve Alder. He said the plan they had with Steve was f

Angela,

I have a copy of the agreement with Nate's signature on it. Since our faxes still say c w mining in the header I scanned the original and emailed it to the law office. David should be faxing it to you from his office and also taking care of the banks signatures. We are placing the original in the mail to you today. If you want a copy of the scanned original sent to you let me know.

Mark.
