Mark,

Steve just called me to let me know that he has the Bank's signature, Nathan's signature, and confirmation from the bank that they receive the check. You may consider the CO terminated as of now. Pete is gone for the day, so he will have to do the paperwork on Monday, but it will reflect that the CO was terminated today at 4:50 pm.

Thank you for your cooperation, and have a good weekend.

I just got of the phone with Steve, he says he has received the signatures from the bank and will be calling Dana to let her know. Looks like we can all go home now. Thanks for all the help.

Mark

He said the plan they had with Steve was for us to fax our signature to him and then for the bank to fax their signature to him and he would put them all together. David is contacting the bank right now to have them also fax a copy to us so that we can also put them together and then forward it to you. I will keep you posted on how soon he will have that. Mark Angela Nance wrote: Hi Mark, Please email me (with a cc to Steve Alder, Dana Dean, Daron Haddock and Pete Hess) a copy that includes the bank's signature. If we receive this by 5:00 p.m. today, July 3, 2008, we can terminate the Cessation Order. An original in the mail would be great. Thanks! Since our faxes still say c w mining in the header I scanned the original and emailed it to the law office. David should be faxing it to you from his office and also taking care of the banks signatures. We are placing the original in the mail to you today.
