Re: **Bond estimates, Bear Canyon and Hiawatha Bonds.**

Dear Mr. Haddock:

As per our phone conference on Monday, March 23, 2009, I am forwarding the complete Bond estimates as we discussed for your review. If Wayne does not have any further issues or questions with either of these calculations, I will then clean them up and resubmit them with the appropriate page numbers. Also included in this letter are a couple of maps that I said I would send concerning the vegetation areas in the Hiawatha area. If Wayne wants to read what the MRP states as to the locations of the seeding, then please have him refer to Chapter 3, Page 3-43 of the MRP.

If you have any further questions concerning this submittal, please feel free to contact me at (435) 687-5777.

Sincerely,

Cliff Baker
Environmental Coordinator
