Dana,

Hiawatha has recently submitted an amendment updating their bond. Hiawatha supposedly entered into road agreement with the surface owner of the mine site, ANR to not reclaim certain roads. Pete has raised some questions as to the legality of the agreement and has suggested that Mr. Alder take a look at it prior to sending it back to HCC. Attached, please see the road agreement document and the proposed text changes to the MRP, as well as Pete's memo.

Thanks and please see either Pete or me with questions.
