Dear Charles,

Thank you for contacting me yesterday to follow up on the midterm response submittal. I am unfortunately, in the midst of providing testimony in a board hearing on another matter and have not been able to give your request my full attention. We are considering your request for another extension and I will reply as soon as I am able. In the meantime and in light of your request, I think it would be unfair to expect you to submit the response by the April 30th deadline until you hear further from me.

I will be in touch over the next week and just wanted to take this moment to acknowledge that we did receive your request for extension.

Regards,

April
