Hi Charles,

I just wanted to give you a heads up on the letter regarding the midterm that will be coming your way. The maps and the bond information you sent in looked fine; however there were some additional details that we needed for the ownership and control information. Here is the info needed:

R645-301-112.300, The MRP must include the last four digits of each officer in ANR Company, Inc. • The application must include a telephone number for ANR Company, Inc. • Current MRP information indicates J.O. Kingston became President and L.A. Miller became Vice President of ANR Company, Inc. on June 30, 1997. This information is confirmed with a signed Certificate. However, Appendix I-1 contains a document signed by D.O. Kingston as President of the ANR Co. Inc on December 15, 1997 and the submittal indicates a Begin Date For J.O. Kingston and L.A. Miller of 6/30/1999. Also, AVS shows a Begin Date for J.O. Kingston as 3/21/2002. Please address these discrepancies by verifying the start and end dates for D.O. Kingston, President ANR Co., Inc. and the start dates of J.O. Kinston and L.A. Miller. •The application must include notarized, Secretary signature for all changes in corporate officers and their begin and end dates, including Lori V. Wright, secretary and treasurer. (AN)

I would suggest getting with Angela via email and submit the corrections electronically to her. Once she looks the information over and approves of it, then you can submit the final packet with the eight clean copies of everything: the maps, the bond info, and the ownership and control information.

Also, I sent you an email about a couple of sampling locations that we did not have complete data on for the 4th quarter 2009. Did you have a chance to look into that?

Thanks very much, Charles.....
April
