Subject: 2011 Coal Mining Annual Reports for Active and Inactive Coal Mines, Outgoing File

Dear Mine Operator:

Enclosed, please find an electronic Annual Report document. This document is to be used by the operator, and the DOGM staff for reporting and reviewing 2011 information regarding your mine. You should be able to Save, and Email the form. When completed, it must be submitted to the Division *electronically* either by emailing the form with the associated report documents or by saving the form to a CD.

The 2011 Annual Report form includes entries for regulatory requirements, such as annual impoundment certification; however, many Mining and Reclamation Plans include unique, mine-specific commitments that also must be reported annually. These commitments need to be addressed in the 2011 Annual Report. Also, please be sure to submit the following items as part of the 2011 Annual Report:

- 1) Raptor and archeology reports marked as confidential and in a separate folder marked confidential (R645-300-124.300);
- 2) Mine map identifying mining in 2010 as well as the mining proposed for the next five years [PE Certified] (R645-301-512 and R645-301-521); and
- 3) Notices of Proposed Mining sent to water conservancy districts and all owners and occupants of surface property above the underground workings (R645-301-525.700).

All confidential information should be submitted in a separate file or folder on the disk marked "Annual Report Confidential Information".

Depending on the status of your mine (active or inactive), some of the sections of the annual report may not apply or may not require a response. This will be stated in the report form if this is the case.

The timeline for the 2011 Annual Report submittal is outlined below.

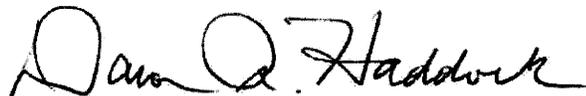

- The Division will send out 2011 Annual Report forms by December 1, 2011.

- The Operator will submit the required information by March 30, 2012.
- The Division will review 2011 Annual Report information in conjunction with a complete inspection by June 29, 2012. If required information is not included, the Division may initiate enforcement and compliance action.
- If the Division determines that more review is needed of a specific item, the Inspector and Team Lead will comment and forward the 2011 Annual Report to an assigned staff member.

If you have any questions, please call me at (801) 538-5325.

Sincerely,
