Subject: Phase III Bond Release Application, Hiawatha Coal Company, Hiawatha Mine Complex, C/007/0011, Carbon County

Dear Mr. Finley:

The Division received your application for Phase III bond release on March 29, 2016. An initial review of the application has determined it to be administratively complete. At this time you should publish the notice in the local paper, once a week for at least four consecutive weeks. A copy of the Affidavit of Publication should be submitted to our office as soon as it is available. We will be scheduling a bond release inspection in the near future.

Please call me at (801) 538-5325 if you have any questions.

Sincerely,

Daron R. Haddock
Coal Program Manager
