Re: **Midterm Permit Review Response, Hiawatha Mine, C/007/0011, Task ID #5975**

Steve,

Hiawatha Coal Company is in the process of responding to the Division Midterm Review deficiency letter dated September 24, 2019 and making the necessary proposed changes to the Hiawatha MRP. However, Hiawatha will not have everything ready to submit by November 1<sup>st</sup> and requests an additional 30 days to complete this request and asks that the Division allow until December 1<sup>st</sup> to submit the response.

If you have any questions, please call me at (801) 857-0399 or email me at [charles.reynolds@hiawathacoal.com](mailto:charles.reynolds@hiawathacoal.com).

Sincerely,

Charles Reynolds, PE  
Mine Manager
