Good morning Charles,

We received your request for an extension for Hiawatha's midterm response. An additional 30 days has been granted. The new due date is December 2nd, 2019.

As we discussed on the phone last week, it's important that we get these deficiencies resolved sooner rather than later. So please don't hesitate to contact myself or our staff if you have questions. We're here to help.

Regards,  
Steve
