Charles,

Todd let me know about the upcoming meeting this Wednesday. We'll work with you in sorting out these remaining deficiencies.

The extension to the 25th of February to respond to the deficiencies identified in Task #6044 is hereby granted.

Steve

Steve,

Hiawatha Coal Company is in the process of addressing the deficiencies contained in your letter dated January 10, 2020. In order to better respond to the deficiencies, I am meeting directly with some of the review staff to insure that we can adequately address all of the deficiencies in this go around. Please extend the deadline for the response to February 25th to facilitate this. If you have any questions, please let me know.
