Subject: Hiawatha pond cleanout update

Priscilla,

This email is to update you on the maintenance progress at Hiawatha. Due to circumstances and the holiday, no further work has been completed at Hiawatha. Dana and his crew has been off on a hunting vacation since 11/17 and just returned to work yesterday. In addition, my mother passed away on 11/18 and I have been away from work since then until this week as well. Scamp Excavating finally confirmed to us yesterday that they will be onsite this afternoon to give us a bid on the remaining pond cleanout work. We should know by tomorrow how soon they can start on the work and I can update you once we know.
