Dear Mr. Feight:

The following comments and recommendations are in response to your request concerning the nature and level of detail for fish and wildlife resource information for the United States Steel, Wellington Coal Cleaning Plant.

The response provided by the Division of Wildlife Resources (copy enclosed) was reviewed and is fully supported by our staff. Additional recommendations include providing for each plant species vegetative production and canopy cover within the description of the existing vegetative communities.

Thank you for the opportunity to provide input into this area of concern.

Sincerely yours,

Leon E. Berggren
Area Manager
