EXP/007/012

Dear Mr. Mr. Goudge:

Thank you for your letter received by the Division June 10, 1980 concerning Eureka Energy Company's proposed exploratory drilling program in Carbon County, Utah. The letter does not satisfy the notice requirements of Rule M-3(5) of the Utah Mined Land Reclamation Act of 1975, Title 40-8, Utah Code Annotated.

The following information is still required:

Rule M-3(5)d - Description of reclamation plans for all ground disturbances related to the operation (ie., grading, stabilization procedures, seed mixtures, rates, methods, and times of seeding).

The Division awaits Eureka Energy Company's amended Notice of Intention. Thank you for your cooperation.

Sincerely,

THOMAS J. SUCHOSKI
