Re: Technical Revision No. 1  
Refuse Pond Modification  
Wellington Coal Cleaning Plant

Dear Mr. Smith:

Attached are five (5) copies of an application for a Technical Revision to U. S. Steel Mining Co.'s Wellington Coal Cleaning Plant Operation and Reclamation Plan. The plans for the refuse impoundment modifications have been forwarded to the Mine Safety and Health Administration (MSHA) in compliance with 30 CFR 216. When MSHA's approval is received, it will be forwarded to the Division. Soil samples have been taken and the analyses will be forwarded when they are received.

Please expedite your review of this request. U. S. Steel Mining Co. would like to begin raising the Lower Refuse Dike as soon as possible. If you have any questions concerning this request, please contact either G. H. Sides or V. R. Watts at telephone number 801-888-4431.

Sincerely,

*R E Yourston*
