East Carbon, Utah 84520

RE: Approval of Natural Gas Pipeline
Wellington Preparation Plant
ACT/007/012
Folder Nos. 3 and (4)
Carbon County, Utah

Dear Mr. Yourston:

The Division has reviewed the additional information pertaining to the proposed natural gas pipeline at the Wellington Preparation Plant that was submitted April 28, 1983. Upon receipt of written acceptance to the following stipulations, approval to proceed with the plans will be granted.

Stipulation 5-10-83-1-LK

The detailed reclamation plans and the revised facilities map which is to be supplied with the Apparent Completeness Review (ACR) response, must adequately address UMC 784.13 and UMC 817.111-.116. This must be received by the Division on or prior to July 8, 1983.

Stipulation 5-10-83-2-LK

Detailed cost estimates for reclamation (and removal) must be supplied with the ACR response and bond posted with the permit approval for the Wellington Preparation Plant.

Mr. R. E. Yourston
ACT/007/012
May 12, 1983

This approval is conditional upon the Division receiving U. S. Steel Corporation's written acceptance of the stipulations within 10 days of receipt of this letter.

Failure to accept the stipulations or abide by the submitted plans and stipulations may warrant enforcement action.

As a reminder, please supply the Division with complete and adequate plans at least 60 days prior to the anticipated date for any future modification.

Should you have any questions, please don't hesitate to call myself or Lynn Kunzler of my staff.

Sincerely,

JAMES W. SMITH, JR.
