Dear Ms. Filas:

Re: Approval of Seed Mix for Borrow Area, Wellington Coal Cleaning Plant, ACT/007/012, Folder No. 3 and 4, Carbon County, Utah

The Division has reviewed the revised Seed Mix for contemporaneous reclamation of the topsoil borrow area submitted September 24, 1985, and hereby approves this seed mix for temporary and contemporaneous reclamation of the topsoil borrow area.

This approval only modifies the seed mix for the borrow area. All other areas requiring temporary/contemporaneous revegetation should use the previously approved seed mix. As always, should you have any questions, please don't hesitate to call.

Sincerely,
