Dear Ms. ~~Linner~~ ^{SUSAN}:

Re: Pipeline Sedimentation Pond - As Built

Per Bill Warmack's request, enclosed are two copies of the Pipe Line Sediment Pond As-Built Drawing (D5-0163).

The drawing has been certified by me based on a visual inspection since the original engineer who supervised the drawing preparation was terminated in a salary work force reduction in July.

Please feel free to call if I can be of further assistance.

Sincerely,

W. P. Balaz, Jr., P. E.
Manager of Administration
